High School Freshmen Adopt Highfield Hall As Service Project

Falmouth's Lase, North Falmouth's Philip and Kathy, wearing of Eric McLaughlin, Kathy Twombly and Highfield Hall was built in 1914 as a large, earthy-style house. It was the last of a series of houses built by the family. The house was used as a resort. The house was used as a resort. The house was used as a resort.

Creating Teen Center A Priority Project For FHS Class Of 2000

By HUGH R. McCARTNEY

Falmouth's Recreation Committee will throw its weight behind a concerted effort to give the young people of the town the one thing they say they need and want most of all, a teen center.

The impetus for the effort, Falmouth selectmen learned last night, is being provided by the Falmouth High School Class of 2000, which has made a teen center for Falmouth its goal by graduation time.

"We built a wonderful Gus Carty Community Center with a full, structured recreation program, but in the process," Committee Chairman Sandra L. Cuny told selectmen last night in town

go to hang out." During a report on committee activities, Mrs. Cuny said, "I think we first recognized the need for that [a teen center] in 1994."

She credited "the Class of 2000 for playing a leadership role in this effort. They came up with the teen center concept as an answer to substance abuse."

"We believe," she said, "there definitely is a need for a fun and safe place for teens and I would ask the town to assist the Class of 2000 in acquiring the land to build a new teen center."

Mrs. Cuny and Recreation Director Jeffrey R. Wakefield said the Class of 2000 already has made great strides in the teen effort.

"They've gone into membership, fundraising, activities, come up with an incredible list," Mrs. Cuny said.

Making Their Mark

Friday, May 21, 1999

The Class of 2000 hasn't reached its senior year at Falmouth High School, but already the juniors are making their mark.

They could have waited until next year to present their class gift. But galvanized by a teacher's heart attack in school last winter, the class spent \$4,000 to buy life-saving equipment for heart-attack victims. The juniors went further and arranged to have a team of staff trained in CPR and the use of the defibrillator in the event an emergency occurs at the high school. This is the class that made news last

fall when a group of juniors presented a well-thought out plan to selectmen to create a teen center in Falmouth. Josh Levy, the junior class vice president, told selectmen that his classmates have talked about the need for a teen center since they were at the Lawrence School, "but no one set the wheels in motion." Josh, Michael Allietta, Colleen McCabe, Caitlin Austin, and Colin Rowan, have taken the lead to do just that.

These are substantive, thoughtful projects for 16- and 17-year-olds to tackle. We look forward to seeing what they do next.

...which had been generated from over three years of class work. Although the class was too young to be able to drop in at the unity center," said Selectmen Chairman Mary L. (Pat) Wakefield.

"I think," Mrs. Cuny said, "we should have something open at all the time."

On other future projects, Mrs. Cuny also said "we've talked with Together We Can and the swimming pool issue is still something they would like to see."

Mrs. Mary Bishop
Principal's Secretary

Mrs. Bishop has been a friend to many FHS students. She has encouraged, inspired, calmed, hugged and pushed us through the last four years. We're not really sure how she works her magic, but if you bring her a problem, she almost always has a solution. She has typed our college application, registered us to vote, accompanied us to Rotary Breakfasts and chorus concerts, and even baked a cake. Over her career at FHS, she has been a House Secretary, the Activities Assistant and most recently the Principal's Secretary. Mrs. Bishop - we wish you a happy and relaxing retirement. You deserve it.

Mrs. Ann Ashley
Science Teacher

Mrs. Ashley has taught science classes at FHS for many years. She was also the advisor of the Medical Careers club, arranging speakers and visits to hospitals for those students interested in pursuing a medical career. Mrs. Ashley has always been available to her students for extra help - arriving way before the homeroom light and staying after school whenever she was needed. She made science interesting and easy to learn for all students.

Mrs. Judy Robertson
House Secretary

They've heard it all - "My car broke down." "My alarm clock didn't go off." "I really was in class - the teacher didn't see me." Mrs. Robertson and Mrs. Manning have the inevitable task of handling students who arrived late, got dismissed, accumulated points or broke the rules. They manage the schedules of three House Administrators and 1200 students. They answer phones, manage attendance and discipline information, process report cards, greet parents, and handle student problems. It's enough to make anyone dizzy, but Mrs. Robertson and Mrs. Manning take it all in stride. And they do it with their own special style. They have helped us to deal with the reality of rules and consequences. And in the midst of the hectic office, they have been our friends. We will miss them both next year. It won't be quite as easy to borrow a phone at college. Mrs. Manning - Mrs. Robertson - thank you and God Bless.

Mrs. Joyce Lyons
VIPS Secretary

Mrs. Lyons is the VIPS secretary, but she wears many hats. The VIPS/ Night School Office is constantly busy with volunteers, students, night school enrollees and teachers. Although situated at FHS, the VIPS office coordinated volunteers and activities for all the Falmouth Public Schools. Mrs. Lyons helps with fundraising, scheduling, special events and the newsletters.

FHS students have logged hundreds of volunteer hours and as a result have had the opportunity to visit and get to know Mrs. Lyons. She is always calm, friendly and caring. It will be hard to replace her next year. Enjoy your retirement, Mrs. Lyons.

Outstanding Teachers of the Year

The winners unknowingly sit together.

A Touching Tribute:

The Class of 2000 never ceases to amaze. From the students' class gift of a life-saving defibrillator to the high school to their success in convincing Town Meeting of the need for a teen center, the senior class has distinguished itself through its creativity and vitality. An now, even as their minds whirl with thoughts of graduation, the class has managed to leave behind one more thing to be remembered by.

This week, the seniors held the school's first student-sponsored Teacher Appreciation Celebration, a touching tribute to the men and women who have helped guide them into young adulthood. In doing so, these students, at their young age, recognized something that most of us don't realize until late on-the important role our teachers play in our lives.

Whether it was the elementary school teacher who first got you excited about reading, the middle school teacher who seemed to make history come alive, or the high school teacher who opened your eyes to the world of science, everyone can recall at least one teacher from their past who made a difference in their lives. What is sad is that by the time we realize it, we don't always get the chance to show our gratitude.

This year's seniors made sure they did, and in a beautiful way. Tuesday's celebration was filled with emotional speeches, lighthearted jokes, lots of laughter, and a few tears.

The Senior class will be a tough act to follow. In the past two years, the leaders of the class have planted seeds that have the potential to grow into wonderful projects and traditions. But the classes that remain behind will need to pick up the slack. This year's junior class must follow through on the concept of a teen center, whether that means raising the necessary money or returning to Town Meeting floor. The sophomore class should not be afraid of breaking from old traditions to start their own, just as this year's seniors changed the annual senior fund raiser from a Christmas tree sale to a live auction. And the freshmen class should take it upon themselves to see that by the time they are seniors, the Teacher Appreciation Celebration is still an annual event. There will be big shoes to fill when Class of 2000 graduates in June. This week, they got a little bigger.

Friday, March 12, 2000 Falmouth Enterprise Editorial

These teachers are recognized for their commitment and dedication to the students of Falmouth High Schools.

Thank you for making a difference lives of so many. Your influence has been recognized both in and out of the classroom and you have truly left an impression on your students that will stay with them forever.

Thank you from the Class of 2000.

An undefeated season. We made it to the playoffs.

Falmouth High has completed another successful Math Team season by finishing in 4th place out of 20 schools which competed in the SMC Math conference. We competed in 4 regular meets held on the Cape and among Cape schools we finished first in all four meets. Falmouth also hosted one meet. By finishing in the top 8 schools, we again qualified for the League Playoffs held at ORR. In the playoffs, we moved up one spot, that is from 5th to 4th place. The order of finish for the final standing were 1st ORR, 2nd Apponequet RHS, 3rd. Tauton, 4th Falmouth High.

We run the recycling program at FHS.

SADD

We had a very enthusiastic group of students participating this year due in fact that we held our meeting every other Thursday at 6:00 p.m., in the Cafeteria B teachers' dining room. Our average attendance was around 30-35 students.

Activities worked on or in progress:

At meeting we made posters and banners to be displayed in the main lobby and auditorium lobby on Friday morning.

Tied red ribbons on all students cars in the parking lot to emphasize no drinking.

Sold S.A.D.D. products at the annual craft fair held in the field in November.

Constructed a float on a flat bed trailer for the Falmouth Chamber's Christmas parade depicting a theme of a safe holiday season.

Show an inspirational film on promoting non-drinking to students.

Attend an all day seminar/workshop for youth leader on Addiction Prevention. To be held this year on March 31st sponsored by Bourne High School

Sponsor a program before the Junior-Senior prom in the auditorium.

Spanish Club

Whether it's making Paella or taking a field trip to explore Spanish culture in Boston, the Spanish Club has embarked on activities that continue to attract many students to the club. By meeting about once a month, the Spanish Club has been able to effectively schedule events that allow the members to discover some interesting aspects about Spanish culture outside of the classroom.

Portuguese Club

Portuguese Club

The 1999-2000 year witnessed a few of Falmouth's Portuguese students coming together, along with one other student from far-off country, to form the FHS Portuguese Club. The club was headed by advisor Maria C. Branco with the help of some hard workers. There were about thirty students.

The club took part in school activities as a trip to the International Festival in Boston, to U-Mass Dartmouth, a dinner at Antonio's Restaurant in New Bedford, the Museum of Fine Arts in Boston to see Crowning Glories: Two centuries old Tiaras a collection of art works from the Gulbenkian Collection of Portugal, and a cookout at Izilda Fernandes's house, the club president.

The Portuguese Club created its own T-shirt with its special logo and raised money for the Jimmy Fund. It published the Portuguese newspaper, A Voz Estudantil.

All in all, the year has been a working year and the Portuguese Club has made the Portuguese culture proud. We thank Father. "G" for typing and helping with the newspaper and for his suggestions.

Teen Center 2000 Committee

In February, 1998, five students sat on the floor at Mrs. Medeiros' house eating pizza and brainstorming ways to involve FHS students in drug-free activities. That night the Teen Center 2000 Committee came to be. Officers were elected and a campaign began that spanned the next 2 years at Falmouth High School. At the November Falmouth Town Meeting, the proposal was given unanimous approval. Many of the committee members will be in college by the time the Teen Center finally open its doors. The logged many hours in research, meetings and presentations. They gave their time unselfishly to help the future of high school students in Falmouth. We dedicate this page to them.

Teen center presentation steals the show at town meeting

Determined High School Juniors Set Their Sights On Teen Center

The five Falmouth High School juniors who presented their proposal for a teen center at the town meeting.

By KATHLEEN L. MITCHELL
As the five Falmouth High School juniors presented their proposal for a Falmouth teen center at the town meeting, they were not alone. The room was filled with supporters, reflecting how much the idea has taken root in the community.

The plan they have laid out for the teen center is not just a place for students to hang out, but a place where they can get help with their problems. The plan also includes a library and a place for students to get help with their homework.

"We have always talked about it, but now we have the whole in motion," said Josh Levy, one of the presenters. "The town of 2000 is a big step for us."

The town of 2000 is a big step for us. The town of 2000 is a big step for us. The town of 2000 is a big step for us.

Juniors Set Their Sights On Teen Center

The person supervising the teen center would be respected at all times. Management for the teen center would include a seven-member executive board made up of four students and three adults. The adult members would be the adult members of the town of 2000.

These students said the only thing they hope remains constant during their quest for a teen center is that it is a place that the teenagers can call their own. They said while they appreciate the building for teenagers, their goal is to have a building that is used only as a teen center.

The town of 2000 is a big step for us. The town of 2000 is a big step for us. The town of 2000 is a big step for us.

In Memory of Paul Craig

November 12, 1981 to March 12, 1998

always remember you
Paul"

Paul when you were alive,
I didn't know how much
you meant to me, but now
that you're gone, I've
learned you meant way
too much to me. You'll
always be in my heart and
mind, but why'd you have
to die? This question
keeps repeating in my
mind all of the time, and
it doesn't seem to go
away. Sometimes I say to
myself, "Why couldn't it
have been me?" I'll cry
and cry, but I know I'll
never be free. Someday
I'll see you again, then
I'll be fine, but until then
I have one last thing ...
Paul, I love you.

I hope you love me too.

I love always,

John Garrity

I've dealt with many
deaths before but none as
young as you

I went to church, I cried
out loud and paid respects
as due but still I cannot let
go the hope that you are
not yet gone

At school we hope and
pray for you

We dedicate your song
you're gone into a better
place and this I understand

I just wish instead of
heaven you'd be back on
land

I didn't think it would be
you

but rumors spread so fast
no more making memories
now we must remember
the past

It's not fair - you had to
leave us

I don't know how I'll go on
One mistake can take you
out

No one can promise you
tomorrow

Unfortunately with that
mistake comes regret, love,
pain and sorrow

Down here we mourn the
loss of you and you moved
all of us!

His is an accomplished pianist and loves working on cars, magic tricks, snow boarding and live music concerts.

Colin Rowan - Vice President

He was voted Mr. Clipper by the Class of 2000. Rumor has it that his loud cheers drowned out the competition, but we have it on good authority that his enthusiasm for life in general and FHS in particular made him the runaway favorite. Colin has been active in Student Government and Track during all four years at Falmouth High School. He is a charter member of the Teen Center 2000 committee, a member of the Spanish Club, Polar Bear Swimming Club and founder of the mountain Bike Club. He was the reporter in the senior class play, "Charlie and the Chocolate Factory." He is an active volunteer in community and school activities and a member of many class committees. He is ranked third in New England for Expert High School Mountain Bike Racers. He was voted "Most School Spirit" by the senior class. He has received the Rotary Club Youth Merit Award, VIPS Volunteer All-Star, Cape Cod Times All Star for Winter and Spring Track, Four time Academic in Athletics award, OCL All-Star and Captain of the Winter and Spring Track team. His work experience includes working at the counter and prep for the Clam Shack and Cape Cod Pretzel Baker.

Mrs. Medeiros and Mrs. Werner are good friends with a lot in common. Whether it's movie night with friends, shopping trips, or a major project, they always seem to have fun. They work together in the summer at the Tides Motel and are a lawn mowing team. Their families often vacation together at Disney World and North Conway, New Hampshire.

Mrs. Medeiros teaches French and Spanish (and sometimes German) at FHS. She is an advisor of the National Honor Society and has been a Class Advisor twice before. A 1968 graduate of Lawrence (Falmouth) High School, she was active in cheerleading and a member of the staff of the Student Intelligencer. While in New York for the Columbia High School Newspaper Convention she and other Intelligencer staff members received a makeover and made the pages of the Seventeen magazine. She was in the National Honor Society and a member of the Daisy Chain (Honor Guard.) Mrs. Medeiros has a son Timothy who will be a freshman at FHS next year. When she is not being run ragged by the Senior Class, she enjoys gardening, taking walks with her dog, Otis, music and good movies.

Mrs. Werner is the Activities Assistant, Yearbook Editorial and Business Advisor, Teen Center Advisor and former cheerleading coach. She graduated from Lawrence (Falmouth) High School in 1967 and was the Editor of the Student Intelligencer, on the yearbook staff and a member of the National Honor Society and History Club. She was also a Worthy Advisor on Rainbow and President of the Methodist Youth Fellowship. Werner loves her garden, knitting, reading and crafts. She is married to Larry Werner who is a staff assistant at the high school and they have three children - Stephanie is Human Resource Manager for Darwin Partners, Rebecca, a recent Johnson & Johnson Graduate and Pastry Chef and Ryan who will graduate with the Class of 2000 and attend the University of New Hampshire in September to study Sports Management.

Wherever you look, you see Julie Winslow and Colin Rowan. They are involved in sports and activities both at FHS and in the community. For this reason, the Class of 2000 has voted them Mr. and Mrs. Clipper. As such, the pair presided over Homecoming in October, "fired up" the Thanksgiving Parade and Rally and rode in the Falmouth Christmas Parade. They "best exemplify school spirit" with energy and a sense of humor.

Mr. and Miss Clipper

Julie Winslow was voted "Best Looking Girl" in the senior class. But don't let her appearance fool you. Behind that pretty face and charming demeanor is a lively personality and quick wit. She is friendly and outgoing and always ready with a comeback joke. Julie played basketball for three years and softball for two, but her heart is in field hockey. Three of her four high school years were spent on the varsity team where she won many awards and participated in tournaments all over the east coast. She was team captain in her senior season. Julie is just as busy off the field as president of the Student Body and a member of the Honor Society and SADD. She participated in Town meeting as a Home Room Representative for three years and was honored by VIPs as Student Volunteer of the year.

"Let me hear you say, 'GO FALMOUTH!'" Those words screamed above the commotion of class meetings belong to Colin Rowan, Mr. Clipper. When you need someone to incite a riot, Colin is the man to call. He is funny, friendly and able to out shout the entire class of 2000..... He has been active in track for four years and recently made his stage debut as the reporter in "Charlie and the Chocolate Factory." In the spirit of the true outdoorsman, Colin is an avid skier and a member of the Mountain Bike Club.

Mr. Cali crowns Julie at the Homecoming Game.

1999-2000 Yearbook Dedication

"Some people come into our lives and quickly go. Some people move our souls to dance. They awaken us to a new understanding with the passing whispers of their wisdom. Some people make the sky more beautiful to gaze upon. They stay in our lives for a while, leave footprints on our hearts, and we are never ever the same."

Mrs. Debbie Werner and Ms. Terri Medeiros

The time you gave can never be forgotten
The memories and lessons of this journey
Will forever linger in our hearts.

You came to us when we were freshmen
And guided us as we made our way into the
adulthood of seniority.
Often, we fell, but you were there to help us
up
Often we cried, but you were always there to
lean upon.

We are who we are today because of you!
Your compassion, love, and dedication have inspired us to reach for the stars.
You taught us the meaning of hard work, and stood by us through both the glory and the
hardships
Constantly offering insight into the meaning of life.

Thank you for giving us the chance to find our own path.
We lost our way many times, but your faith outweighed our fears.
You have truly been the wind beneath our wings
And as we prepare to fly away
Each of us will take a piece of you with us that we will cherish forever.

You are the glue that has, and forever will, hold our Class together
So thickly applied that not even the duration of another 2000 years could break its bond.
Your guidance has far exceeded that which is required of Class Advisors
And we will remember you forever!

A DROP OF FRIENDSHIP

by Zlat Ya

Two small drops of water floated in a river. For miles and miles, they swam next to each other, and, over the years, they experienced everything together, avoiding debris, swimming under boats and meeting other drops. Together, the two drops grew up and watched the other mature.

Of course, the drops of water knew that eventually they would be separated, but neither thought about it. "Why think of the time when we will have to part, if we are happy now?" each one reasoned.

Like all good things, the end came too quickly. The river, where the drops were, diverged and the water began to flow in two directions. The two drops held onto each other, trying to stay together, but the river was stronger than them. One drop went to the right and the other to the left. Each cried for the loss of his companion who was gone forever.

Now, when we as friends, approach a fork in the road of life, one we have all walked along together until the present, I find myself wishing that we could continue as we have been until this moment.

However, time is the truest test of friendship, and, after spending four years in classrooms with these friends, I am confident it is a test we will all pass.

Like water that drips from between one's fingers, our time together is over. Tears will be shed and bodies embraced, but the time that has passed, is gone forever, never to be recaptured. Only the memories will remain.

This is only the second time in thirteen seasons that Falmouth did not advance to the quarterfinals, losing to the tournament winner Notre Dame of Hingham, 2-1. This was truly a great season after losing ten varsity players from the 1998 Division I South Sectional Championship Team. Once again, the Old Colony League had a majority of teams in the MIAA tournament (with 5 of 8 teams).

The Golf Team

The 1999 Falmouth Golf Team had a very productive season, finishing two games over .500. A key factor in their success was contributions by Mike Flynn and Jesse Miller. Miller was a big bright shining star, who helped lead his team to the promise land. The team was so successful, due to great coaching by Birdman and front office help like Brian Hayes driving the golf carts. On the 1999 Golf Team, 12 players received a letter for being dedicated and hard working. The rest of the team received certificates to show their contribution to the teams. The team had a very positive season, and they should do well next season with many returning players.

To my graduate...my child,
 I watch as you walk out the door, headed for your future. The car is all packed, the tuition is paid and you are ready to go. I am excited for you. Suddenly, I wonder if I have taught you everything you need to know. Just in case I forgot anything, please remember:
 Treat others as you would want to be treated... Never mix dark colors and whites in the washer... Don't fry bacon over high heat... Never party before a final... It's easier to find clothes in your closet than in a pile on the floor... You can do anything you set your mind to do... Money really doesn't grow on trees... Follow your heart, but think with your head... Take your vitamins... Always have two goals - one that is realistic and one that lets you soar. Strive to achieve both - but remember which is which... Exercise... Keep one special dream in your heart... Never eat mystery meat... Lock up your valuables... Remember where home is... Sometimes chocolate really is the answer... Some things are not what they appear to be. Look close... Don't overdraw your checking account... Just because the professor is hard, doesn't mean he's a jerk.. Go for extra help when you need it... Deadlines are real... Be true to yourself. Look in the mirror every day and remember who you are... Be on time... Keep your word... Don't be afraid to try a new path. You can double back if it's a dead end... You can have Ramen noodles, macaroni and cheese and pasta for every meal, but throw in a salad once in a while... Don't run up your credit cards, assuming you will have Bill Gates' income your first year out of college... You can put off laundry day if you buy more underwear... Remember the frustration of sharing your room at home? Welcome back... Don't wait until senior year to discover the library, office hours, and study time... Have fun... Study hard... And always remember we love you.

Brian & Mike – To have 2 such incredible children like both of you has been such a blessing. Our dreams for each of you is that you go forth into this world as unique individuals with inquiring minds, eager to learn and grow and always ready to stand up for what you believe in. Always know how special you are to us – as a pair – and as individuals. We love you.

Love,

"The pleasure of sports was so often the chance to indulge the cessation of time itself – the pitcher dawdling on the mound, the skier poised at the top of a mountain trail, the basketball player with the rough skin of the ball against his palm, preparing for a foul shot...-all of them savoring a moment before committing themselves to action." – George Plimpton

Now wasn't it just yesterday?

I held you close, my Babe in arms,

You took your own first steps towards me,
While I looked on with outstretched arms,

Then step by step you found your way,
While I stood by and watched you grow.

So proud of you, so glad to say,
To all the world—"that's my girl, you know!"

Now it's my job to watch you go,
To tell you I'm still standing by-

And yours – to meet your destiny
Tomorrow's girl, you'll find you way-
You always have – just wait, and see!

And as for me, I'm standing by-
When life gets rough, there's always ME...

Goodbye to the inhabitants to the "Senior Lounge." "Student Conference Room" (aka Activities Office)

You have been our Elves, Gremlins, Groupies, and Friends. You have worked magic in the back room this year. Remember - judging pies, animal crackers, cappuccino, rearranging the room, the noisy fan, the Peer Parking Patrol, bottled water, the Teen Center jar. lots of laughter, tears and confidences - and oh yeah - getting all those activities off the ground. We love you a lot and well miss you next year. You know how we love our sayings and thought-for-the-day. Here are our favorites:

From Mrs. Sangster:

T.A.D.A.H.; (The Association of Delightfully Alive Humans)

TaDah members deserve special recognition for being delightfully alive humans and hopefully you'll stay that way until otherwise notified. TaDah whenever you have the opportunity and remember, it's never too late to have a happy childhood. May you spread lots of joy, humor and optimism.

1. Love in gratitude
2. Play along the way.
3. Renew yourself daily
4. See the humor in yourself
5. Laugh at yourself - not others.
6. Be joyful in the moment
7. As long as you show, you'll have fun
8. For every obstacle there is a solution
9. Enjoy others for who and what they are.
10. At work or at home, be healthy, happy and fit.

From Mrs. Werner

After a while, you learn the subtle difference
Between holding a hand and chaining a soul
And you learn that love doesn't mean security.
And you begin to learn that kisses aren't contracts,
And presents aren't premises,
And you begin to accept your defeats
With you head up and your eyes open
With the grace of a woman or man, not the grief of a child,
And you learn to build all your roads today
Because tomorrow's ground is too uncertain for plans,
And futures have a way of falling down in midflight.
After a while you learn
That even sunshine burns if you get too much,
So you plant your own garden and decorate your own soul,
Instead of waiting for someone to bring you flowers.
And you learn that you really can endure...
That you really are strong...
That you do have worth...And you learn and learn...
With every good-bye, you learn.

Good-bye for now. Good Luck in college. Be your own special person
And always remember we love you.

To the Class of 2000 from Mrs. Werner and Mrs. Medeiros
We will remember:

The Freshman Class Show - The great American Musical Disaster Part Two. The Spooketti Supper and Haunted Hay Ride. We actually managed to run three activities at once. The Holiday Fair was the easy part.

The Junior Work Weekend - We still have the list of cell phone numbers that you left with us.

The Prom - Mrs. Austin and Mrs. McCabe helped us make the most memorable prom decorations ever. Seacrest wanted to buy them from us.

The senior cook out at Mrs. Medeiros' house - We were going to get a lot of work done, but ended up eating and laughing instead.

The night we sat and ate pizza and brainstormed a Teen Center - and talked about the Quebec trip.

Charile and the Chocolate Factory - selling Wonka Bars - the Oompaloompas.

Pie eating contests - mud wrestling - bon fires - breaking traditions and staring new ones.

Teacher Appreciation Day - the tears and laughter in the auditorium and the food in the library.

The unbelievable feelings as we watched you present your Teen Center Proposal to town meeting

and...get it passed...unanimously. All the pizza, soda and M&Ms we have consumed over four

years of meetings. The brainstorming sessions during the summer at "The Tides." The back room in the Activities Office - a place to talk, plan and eat. Where else could you find animal crackers and an espresso machine?

Out of all these memories comes one that we will treasure forever. You let us share a part of your lives. You included us, confided in us, joked with us and gave us your friendship. We made memories together. We had four years of laughter and tears, highs and lows, successes and failures. You made a mark at FHS and in Falmouth. You can be proud of all that you have accomplished.

The Class of 2000 will be remembered for its achievements, dedication and imagination. As you venture into the world, take your enthusiasm and your compassion with you. Remember, you can do anything if you try. Study hard, behave yourselves, have fun (but not too much) always remember we love you. We are only an e-mail away if you need us. Much love - Mrs. Medeiros (TAMedeiros@aol.com) and Mrs. Werner (DebbieWDW@aol.com)
